MEMORANDUM FOR: Director of Communications  
Director of Finance  
Director of Logistics  
Director of Medical Services  
Director of Personnel  
Director of Security  
Director of Training

SUBJECT : [REDACTED] Conference Documentation

25X1A

1. Three documents are attached for your perusal: (a) the ExDir summary of the conference, (b) my record of the conference play, and (c) my list of individual items warranting our attention.

2. You have already heard a good bit of what is included in my papers and at least some mention of each of the items in the ExDir's record. The last mentioned is in my understanding subject to additional definition in terms of specific action memoranda the first of which we have seen. Further this ExDir conference record is directly, and I suppose necessarily, associated with the specific backup documentation which was prepared for his use and the pertinent use of other "presenters" [REDACTED]. These papers were by and large included in the "book" which was given to the conference participants although not all papers or all points within individual papers were raised during the meetings.
